

Ridgeview Community Network™ powered by Medica

Authorization: Release of Health Information

One of the unique features of this plan is that Ridgeview Community Network and Medica work together to deliver a better coordinated health care experience. The organizations wish to share member information with each other, ensuring that you're offered programs and services that can benefit you. To share your health information (including treatment within the Ridgeview Community Network and with other providers), we need your permission.

By checking "Yes" (below), you authorize the release of your health record information (and that of your dependents, as permitted by law) between Ridgeview Community Network and Medica for care coordination purposes.

I authorize the release of my health record information. _____ YES _____ NO
